**The Rocket That Fell to Earth: Roger Clemens and the Rage for Baseball Immortality** Jeff Pearlman

“Pearlman’s book develops a stark, unsparing picture of Clemens’s life that surpasses anything that’s come before.”

—*Boston Globe*

Jeff Pearlman, the *New York Times* bestselling author of *The Bad Guys Won!* and *Boys Will be Boys*, now brings us *The Rocket That Fell to Earth*, an explosive account of the rise and fall of Boston Red Sox and New York Yankees superstar Roger Clemens, arguably the greatest pitcher of all time. Called “exceptional” by *Time* magazine, *The Rocket That Fell to Earth* is a stunning portrait of a sports legend equally loved and loathed by fans and colleagues, his life and his storied career, and his place at the dead center of professional baseball’s shocking steroid controversy.
