EASY \$UCCESS

Preface

Dear accounting student,

Having successfully achieved more than 10 accounting degrees and professional titles, it is with confidence that I present to you this volume. My objective, quite simply, is to guide you towards better success.

I basically never stopped studying. Indeed, I wrote the American professional accounting examinations in 2010 and 2013.

Over the course of my various experiences, I have developed a great number of tips and tricks enabling me to adopt a more efficient approach when comes the time to study for, to prepare for, and to successfully write, an examination. Your time is precious, as is mine, and learning how to concentrate on the essentials is a winning attitude.

Personally, I regularly revisit the various approaches and strategies I rely on. How can I get more out of what I am doing by expending the same efforts? I am constantly seeking to improve the results achieved by choosing more useful and more appropriate means, namely those that provide a greater added value.

In light of this goal of learning to work efficiently, I also seek out ways to make the learning of concepts more interesting. How can one summarize information in a more visual manner? Or in such a manner as to flesh out the interconnections between topics? And, finally, how can I promote long-term information retention?

I am pleased to share to with you the sum total of my work, in order to assist you in your own success.

Proud to be an accountant,

Dr. Sylvie Deslauriers

From reader reviews:

Jon McKibben:

Reading a reserve tends to be new life style in this particular era globalization. With studying you can get a lot of information that could give you benefit in your life. Having book everyone in this world can share their idea. Publications can also inspire a lot of people. Many author can inspire their own reader with their story or even their experience. Not only the storyplot that share in the ebooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some analysis before they write to their book. One of them is this Easy Success.

William Carroll:

Your reading sixth sense will not betray you actually, why because this Easy Success guide written by well-known writer we are excited for well how to make book that could be understand by anyone who read the book. Written with good manner for you, leaking every ideas and writing skill only for eliminate your own hunger then you still uncertainty Easy Success as good book not only by the cover but also by content. This is one reserve that can break don't evaluate book by its include, so do you still needing another sixth sense to pick that!? Oh come on your reading through sixth sense already said so why you have to listening to an additional sixth sense.

Ryan Moore:

On this era which is the greater particular person or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple solution to have that. What you need to do is just spending your time little but quite enough to possess a look at some books. One of the books in the top collection in your reading list is Easy Success. This book that is qualified as The Hungry Hillside can get you closer in getting precious person. By looking way up and review this book you can get many advantages.

Janet Thaxton:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Easy Success can make you truly feel more interested to read.
