Introducing Supernatural Provision

Has the current national and global economy affected you or got you worried? Then the power of the phrase, 'God's will is God's bill', will rock your boat when you realize that you can be free from 'working for a living'... and unshakable by any adverse economic winds. Really! And living within our Father's 'Law of Blessing' is so much easier than you think.

Supernatural Provision's insights may be radical... and even controversial, but they are scripturally sound and author proven. Powerful truths, practical how-to tips, checklists, exposing questions, and many personal testimonies will leave you eager to launch your own journey into God's supernatural provision. You will be excited, guaranteed! Your understanding of 'normal' is about to take a quantum leap!

Debbie and I live this book. It's our life mode. God is our source more than you may expect... even more than is written about in this book. We know that it's quite radical for most people... and it's outside the normal paradigms of conventional wisdom regarding working for a living. But our experience with God's 'Law of Blessing' is so amazingly liberating and exciting that we had to write about it and share it. We often look at each other amazed at how good God's goodness really is... and we didn't even earn it. You'll be amazed, too!

Both James Goll and Noel Alexander wrote forewords for Supernatural Provision. To read their forewords, other leaders' endorsements, readers' reviews, or to place an order, please visit Dwelling Place Ministries' web site: dpmkc.org/supernaturalprovision

Just for fun, in your next conversation with God ask Him what He thinks about the phrase, 'God's will is God's bill'.

Happy reading and welcome to a new way of life.

May God bless you RICHLY!
