The Body Artist: A Novel Don DeLillo

A stunning novel by the bestselling National Book Award-winning author of *White Noise* and *Underworld*.

Since the publication of his first novel *Americana*, Don DeLillo has lived in the skin of our times. He has found a voice for the forgotten souls who haunt the fringes of our culture and for its larger-than-life, real-life figures. His language is defiantly, radiantly American.

In *The Body Artist* his spare, seductive twelfth novel, he inhabits the muted world of Lauren Hartke, an artist whose work defies the limits of the body. Lauren is living on a lonely coast, in a rambling rented house, where she encounters a strange, ageless man, a man with uncanny knowledge of her own life. Together they begin a journey into the wilderness of time, love and human perception.

The Body Artist is a haunting, beautiful and profoundly moving novel from one of the finest writers of our time.
