A woman worth waiting for...

If there's anything recently reunited colleagues Victoria and Connor agree on it's that they disagree—and that they're hiding the sizzling chemistry between them! But work together they must, and, though sparks fly professionally and personally, each is impressed with the other's talent.

And while Victoria should hate Connor, for spurning her all those years ago, annoyingly she's just as drawn to him as ever! Connor knows he let Victoria down in the past. And now he's realising what he missed—a gentle beauty, a talented doctor, and a woman worth loving. He won't let her slip through his fingers again...
