The Stewardship Companion: Lectionary Resources for Preaching David N. Mosser

Every week churches must address issues related to stewardship. With deep pastoral sensitivities and solid biblical knowledge, veteran pastor and author David Mosser draws one Scripture passage from each week in the three-year lectionary cycle to provide a brief reflection on how that passage can be used to teach and preach about stewardship. Mosser's inspirational and motivational reflections offer a clear connection between the lectionary Scripture passage and the matters of stewardship. The reflections offered here address a variety of issues related to stewardship, making this book an essential resource for all pastors, worship leaders, and stewardship committees.
