Angelslayer: The Winnowing War K. Michael Wright

Set amidst an eerie and distant future, this novel tells the story of Etlandis—the mother city built in the shadows of Mt. Arom—and the possible end of the world. Believing in their right to rule the planet, the people of Etlandis sent ships to hunt the Western Seas. In them were the Nephilim—sons of Angels who had become addicted to human flesh and blood through the curse of Enoch. In the wake of their terror, the earth's human population has neared extinction. Unless the survivors can band together to destroy the monsters that ravaged their home, the end is all but certain. Featuring an imaginative range of characters and concepts, this is a harrowing vision of the line between heaven and earth.
