Dominic

Kathleen Robinson

Dominic Kathleen Robinson

A beautifully written and stunningly evocative debut novel, DOMINIC follows the title character's adventures through the collapse of the ancient Roman Empire, depicting a society rife with reckless abandon and chaos, a world of display and caprice. Into this milieu arrives Dominic, an orphaned dwarf child from Gaul. Left to fend for himself, his travels bring him into contact with many colorful personalities, such as a caravan of gypsies and the inmates of a dungeon. His adventures eventually land him in the company of a friend, the gigantic Danish bard Kevin Dunskaaldir, who helps him defeat an evil as sinister as any force threatening the empire. Creating two unique heroes, who act against the mighty backdrop of a society in transition, Robinson successfully brings together all the elements of a literary masterpiece in this classic tale of friendship, fate and adversity. DOMINIC is exhilarating historical fiction, featuring characters you won't easily forget.

From reader reviews:

Edna Kopec:

This Dominic are usually reliable for you who want to become a successful person, why. The explanation of this Dominic can be one of many great books you must have is usually giving you more than just simple reading through food but feed anyone with information that might be will shock your previous knowledge. This book is usually handy, you can bring it all over the place and whenever your conditions in e-book and printed ones. Beside that this Dominic giving you an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we know it useful in your day exercise. So , let's have it appreciate reading.

Mary Kenney:

Precisely why? Because this Dominic is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret that inside. Reading this book close to it was fantastic author who write the book in such amazing way makes the content within easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of rewards than the other book get such as help improving your ability and your critical thinking method. So , still want to hesitate having that book? If I were being you I will go to the reserve store hurriedly.

Joshua Matthews:

Dominic can be one of your nice books that are good idea. Most of us recommend that straight away because this e-book has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining but delivering the information. The article author giving his/her effort to put every word into joy arrangement in writing Dominic but doesn't forget the main position, giving the reader the hottest in addition to based confirm resource data that maybe you can be among it. This great information may drawn you into new stage of crucial considering.

Lois Huseby:

Are you kind of hectic person, only have 10 or maybe 15 minute in your day time to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are receiving problem with the book compared to can satisfy your short period of time to read it because this all time you only find guide that need more time to be read. Dominic can be your answer given it can be read by a person who have those short spare time problems.
