Fiona Range

Mary McGarry Morris

Fiona Range Mary McGarry Morris

Abandoned by her young mother, unsure of her father's identity, and raised by her prominent aunt and uncle near Boston, thirty-year-old Fiona Range has developed a high threshold for emotional pain. Her recklessness, generosity, and poor judgment have landed her in more scrapes than her affluent family-or small-town community-can tolerate. Beautiful, volatile and smart-tongued (or trashy, erratic, and wild, depending on whom you ask), Fiona hits rock bottom after she ends a party with a strange man in her bed. Alienated from relatives and friends but determined to change, Fiona turns to the men in her life-among them, cruel and unstable Patrick Grady, who denies she is his daughter. The arrival home of her gentle cousin Elizabeth with fiance in tow sparks a storm where past mistakes and current passions collide.
