An adorable baby discovers the world around him.

A little baby has found his hands, his tiny toes, his lovely voice, and his sweet nose—what else will he find in his world, his cozy, wonder-filled world? Heather Leigh's spare, rhythmic text combines with Geneviève Côté's warm and inviting illustrations for a delightful picture book that explores all of the adorable traits that make a baby special—and how those traits might shape a baby as he grows up to be a unique little person.
