Do you envy the business people who constantly talk about how they have all the time in the world to go on vacation, and that they can afford these luxurious vacations? Have you often wondered how they did it? If you ask them, you will most likely receive a vague answer that referred to some investments or passive income. But what is passive income?

Ideally, passive income is income that is relatively regular and comes from a source that you put minimal effort into every month to earn. This can be things like stocks or bonds, or it can be something like an eBook you wrote. This type of income can bring you anywhere from a few dollars a month if you don't work hard at it in the beginning, for well over ten thousand dollars a month if you put some effort into it in the first few months.

In this book, you're going to learn about ten different ways to make a passive income with very little investment when it comes to money. Once you earn some passive income off these methods, you can easily turn around and invest that money into other passive income methods that involve an initial investment. You see, it's a snowballing effect once you put in that initial effort!

Here Is The Overview Of The Lessons You Will Learn
