Join Ed Deline, president of operations for the Montecito Resort & Casino, and his protégé, Danny McCoy, a former U.S. Marine and Las Vegas native, as they deal with card-counting cheaters, costly streaks of random luck, and rival casinos stealing their big-money players in the town deservedly known as Sin City....

Making sure a multimillion-dollar operation like the Montecito runs smoothly is a challenge on a *good* day. When the casino is overrun by a Western trade show called Stampede!, that job gets even tougher. Complicating matters is an imminent visit by a German business magnate, who will be making a televised speech from the Montecito that could have far-reaching political and economic ramifications. So while Mike Cannon is tapped to investigate the theft of some very...precious...merchandise from the Stampede! floor, Ed and Danny have their hands full coordinating safety measures with the German's private security force and the Secret Service. And when Danny uncovers the blueprint for what appears to be an assassination plan, the Montecito team must race to prevent a lethal incident of international proportions.
