The Fancy (Bloomsbury Reader)

Monica Dickens

The Fancy (Bloomsbury Reader) Monica Dickens

Women from all walks of life have been thrown together by the War. Together they must toil for long hours in the aircraft factory whilst striving to navigate their disrupted lives. Overseeing their work is the kindly Edward Ledward, whose beloved rabbits provide an escape from his loveless marriage. Given a promotion, and somewhat scared of 'his girls', Edward quickly finds himself out of his depth. But will these terrifying women be his ruin or his salvation?

Set during World War II and covering themes of love, family, and independence, *The Fancy* is above all a human story, a study of everyday life and its extraordinary characters. It was first published in 1945.
