Winter Swans: Book 3 of the Nymph Series Danica Winters

A curse that forbids her to love . . . A child that he must keep secret...An attack on the culture she holds dear...And a battle that could get them killed . . .

Single dad and professional poker player, Chance Landon, hates the world after his ex-wife is found dead in a cheap apartment in rural Idaho. On a lone-wolf crusade to find the killer, he instead learns that he is the father of a strange little girl who carries secrets that only a woman like his ex-wife can answer.

When his ex-wife's killer learns about his daughter's abilities and decides to come after the young girl, Chance enlists the help of the beautiful and deadly swan-shifting nymph, Harper Cygnini, who helps to teach him the truth of his daughter's condition. Chance soon realizes that he alone can't save his daughter from the sadistic killer and he finds himself in a battle between his head and his heart. Will Chance gamble on a future that involves falling in love - which may well cost him his life - or is that one bet his is unwilling to take?
