El ejército iluminado (Spanish Edition)

DAVID TOSCANA

El ejército iluminado (Spanish Edition) DAVID TOSCANA

¿Adónde van?, preguntaría el oficial de migración. Aquí nomás, señor, a invadir El Álamo.

Ciento veinte años después de que México perdiera la mitad de su territorio, un puñado de retrasados mentales se lanza a la aventura de recuperar Texas. Encabezados por el gordo Comodoro, estos héroes de la patria no dudarán en dejar su vida en el campo de batalla antes que desperdiciarla en un instituto donde las maestras los tratan como si fueran niños deficientes.

Con la profundidad narrativa que le permite dibujar personajes de una sola pincelada, David Toscana alumbra una novela en la que los deseos, las fantasías, la amistad y los sueños se integran en una nueva realidad. En su mundo desquiciado, los iluminados nos muestran que la imaginación es el mejor de los mundos y la razón acaba por carcomer el espíritu. De esta novela resulta imposible salir sano y salvo de mente y alma.
