Good Game

Shirl James Hoffman

Good Game Shirl James Hoffman

In recent years the United States has seen an influx of Christian athletes and coaches into big-time sports, as well as a heightened importance placed on sports in church programs and at Christian schools and colleges. However, as Shirl Hoffman critiques, a Christian vision of sport remains merely superficial—replete with prayers before free throws and praises after touchdowns but offering little, if any, alternative vision from the secular sports culture.

Good Game retells numerous fascinating stories from the world of ancient and contemporary sports and draws on the history of the Christian tradition to answer "What would it *really* mean to think Christianly about sport?"
