How do you fall out of love with a man who's all in?

Counting on Love, Book 2

Isabelle Dixon never should have said yes to that first date, but she couldn't resist Shane Kelley's larger-than-life personality. Except now Shane seems determined to make their no-strings fling into something more.

If she thought dating Shane was hard work, breaking up is proving to be much harder. Especially since she's planning on making some major life changes that don't include staying out all night, Jell-O shots, and a sex toy shop punch card. She needs a restful cabin getaway—alone—to gather her thoughts. And the strength to finally end things for good.

Shane has always prided himself on being the good-time guy. Exactly Isabelle's type...or so he thought. Yet ever since he suggested her moving in, she's been pulling back. Thing is, Shane does everything with gusto—including falling in love.

He's not about to let her get away that easily. Even if it means chasing her heart down a crazy road to prove that no matter what life throws at them, they make a damned good team.

Warning: Contains a strange road trip with several weird tourist stops, some hot sex in a car wash, and two people who are just crazy enough to be perfect for one another.
