Scent of Darkness: Darkness Chosen Christina Dodd

From New York Times bestselling author Christina Dodd comes the seductive Darkness Chosen series about an ancient, dark evil that lives in the modern world... *A thousand years ago, a brutal warrior roamed the Russian steppes, and struck a menacing bargain. For the ability to change at will into a cold-hearted predator, Konstantine promised his soul-and the souls of his descendants-to the devil. One day a dangerous prophecy reveals the truth: one family has been chosen to battle the darkness -- or face damnation.*

Ann Smith loves her dynamic boss, Jasha Wilder, but her daring plan to seduce him goes awry when she encounters a powerful wolf who -- before her horrified eyes -- changes into the man she adores. She soon discovers she can't escape her destiny ... for Jasha is Konstantine's descendant and Ann is the woman fated to break the curse that binds his soul...
