Friends and Enemies

David Field

Friends and Enemies David Field

Momentous events await fifteen-year-old Tommy when he goes on holiday to a château in the south of France near Toulouse. He sees a strange picture of an unknown and beautiful young woman and is magnetically drawn to her image. Suddenly, he's 400 years back in the past, in the France of 1599. In that faraway time he finds the living likeness of the picture in the form of Eloise. They run off for a series of hair-raising adventures together, falling in love in the process. Dynastic struggles, power-hungry bishops, outlaws living in the marshes, demonic caves, murderous clergymen and strolling players form the stock-in-trade of this wonderful historical romance. Its swift action and bubbling humour are matched by the author's canny portrayal of two teenagers meeting across four centuries. And how does Tommy resolve the culture clash? With his mobile phone, of course - another hero of the tale! Read on, and look out for more adventures from the masterful pen of David Field as the story of Tommy and Eloise spills over into the twenty-first century in a volume to follow. David Field lives with his wife and two children in Aarhus, Denmark
