Harvey Drew and The Bin Men From Outer Space (Harvey Drew Adventures) Cas Lester

A really rubbish adventure... in outer space

Harvey Drew is an ordinary eleven-year-old who dreams of great adventures in outer space. *The Toxic Spew* is an intergalactic waste disposal ship. The two are on a collision course for chaos!

After Harvey unwittingly responds to an alien signal, he is transported to the flight deck of *The Toxic Spew* by the ship's bad-tempered computer, who promptly loses his return address. Even though none of the crew have even heard of Earth, let alone met an Earthling, Harvey becomes Captain of the stropky, pizza-obsessed, brave (but grubby) crew, and almost immediately has to save them from poisonous pink maggots, dangerous exploding space-rubbish and a multiple spaceship pile-up on Hyperspaceway B16. Luckily, leading his rabble crew out of danger isn't so different from captaining his football team, and it turns out Harvey is just the boy to save the day!
