Nationalism, Self-Determination and Political Geography (Routledge Library Editions: Political Geography)

Nationalism, Self-Determination and Political Geography (Routledge Library Editions: Political Geography)

This book explores the place of nationalism in the modern world. It looks at the relationships between nationalism, politics and states, explores the rise of minority national movements and the problems they cause, and discusses the problems of national integration in particular countries. It analyses the problems in a general and thematic way and includes a number of important case studies.
