The Cloven Foot

Mary Elizabeth Braddon

The Cloven Foot Mary Elizabeth Braddon

Mary Elizabeth Braddon (4 October 1835 – 4 February 1915) was an English popular novelist of the Victorian era. She is best known for her 1862 sensation novel *Lady Audley's Secret*. Born in London, Mary Elizabeth Braddon was privately educated. Her mother Fanny separated from her father Henry in 1840, when Mary was five. When Mary was ten years old, her brother Edward Braddon left for India and later Australia, where he became Premier of Tasmania. Mary worked as an actress for three years in order to support herself and her mother. In 1860, Mary met John Maxwell (1824–1895), a publisher of periodicals. She started living with him in 1861. However, Maxwell was already married with five children, and his wife was living in an asylum in Ireland. Mary acted as stepmother to his children until 1874, when Maxwell's wife died and they were able to get married. She had six children by him, including the novelist William Babington Maxwell. Braddon was a prolific writer, producing more than 80 novels with inventive plots. The most famous is *Lady Audley's Secret* (1862), which won her recognition, and a fortune as a bestseller. It has remained in print since its publication and been dramatised and filmed several times. R. D. Blackmore's anonymous sensation novel *Clara Vaughan* (1864) was wrongly attributed to her by some critics.

The healthiness of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can view that now, a lot of publisher that print many kinds of book. The particular book that recommended for you is The Cloven Foot this guide consist a lot of the information with the condition of this world now. This particular book was represented so why is the world has grown up. The words styles that writer use for explain it is easy to understand. Typically the writer made some analysis when he makes this book. That's why this book suited all of you.

Arthur Seaton:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Cloven Foot can make you really feel more interested to read.
