The Struggle For Nature: A Critique of Environmental Philosophy (Environmental Philosophies) Jozet Keulartz

The Struggle for Nature outlines and examines the main aspects of current environmental philosophy including deep ecology, social and political ecology, eco-feminism and eco-anarchism. It criticises the dependency on science of these philosophies and the social problems engendered by them. The author argues for a post-naturalistic turn in environmental philosophy.

The Struggle for Nature presents the most up-to-date arguments in environmental philosophy, which will be valuable reading for students of applied philosophy, environmental studies and geography.
