Specifically focused to prepare Canadian test takers for the GED high school equivalency exams, this new edition covers Canadian literature and Canadian social studies topics, balanced by a global perspective. It reflects the unique features found exclusively on the Canadian GED, and uses metric units for relevant math subject review and questions. It also presents a full-length diagnostic test with answer keys, answer analyses, and self-appraisal charts. Two additional GED practice exams reflect the actual Canadian GED in length, question types, and degree of difficulty. All questions are answered and explained.
