***Essential Japanese Grammar* is an indispensable reference for students of Japanese at all levels.**

Long the standard in education, it provides clear, jargon-free explanations of how Japanese grammar works and offers hundreds of example sentences. It is an essential handbook for self-study or for the classroom and should be a valued resource for years to come.

Essential Japanese Grammar presents a number of unique features. First, grammatical terminology has been kept to a minimum so that extensive prior knowledge of grammar is not required. Second, abundant example sentences written in Japanese characters (*kana and kanji*) followed by *romanji* and English translations. Third, the authors have tried to reveal aspects of grammar that may not be found in comparable grammar books.

This book contains:

- parts of speech
- sentence constructions
- conjugations forms
- speech styles and tones
- accentuation rules
- essential words and functional elements
- an appendix for referencing and cross-referencing Japanese words
