Reading the Middle Ages, Volume I: Sources from Europe, Byzantium, and the Islamic World, c.300 to c.1150, Second Edition

Spanning the period from c.300 to c.1150 and containing primary source material from the European, Byzantine, and Islamic worlds, Barbara H. Rosenwein's *Reading the Middle Ages, Second Edition* once again brings the Middle Ages to life. Building on the strengths of the first edition, this volume contains 20 new readings, including 8 translations commissioned especially for this book, and a stunning new 10-plate color insert entitled "Containing the Holy" that brings together materials from the Western, Byzantine, and Islamic religious traditions. Ancillary materials, including study questions, can be found on the History Matters website (www.utphistorymatters.com).
