Standard Catalog of Military Firearms: The Collector's Price and Reference Guide Phillip Peterson

This one-volume reference to military firearms of the past 130 years is unmatched in depth of identifying details. More affordable than the closest competition, this general guide delivers descriptions for more than 2,000 antique, vintage, collectible and modern military firearms – providing you with 300+ more listings than the previous edition, all for the same price. Arranged alphabetically by nation, then category, this easy-to-use identification guide includes a separate section for machine guns/submachine guns, and features, for the first time, descriptions and values for bayonets.
