Unlucky Charms (A Superstition Mystery)

Linda O. Johnston

Unlucky Charms (A Superstition Mystery) Linda O. Johnston

Rory Chasen, manager of the Lucky Dog Boutique in Destiny, California, hopes her new line of good-luck doggy toys will be a hit, especially the stuffed rabbits with extra-large feet. The timing of the line's debut proves ill-fated, though, as several local shops—including Rory's—are ransacked and vandalized with spilled salt and other unlucky charms.

The most likely culprit is disgruntled real estate agent Flora Curtival, whose issues with the town give her a motive. But when Flora is murdered and one of Rory's toy rabbits is found with the body, Rory needs all the luck she can get while trying to determine just who killed the superstitious vandal.
