Unseen Hand: Poems Adam Zagajewski

One of the most gifted poets of our time, Adam Zagajewski is a contemporary classic. Few writers in poetry or prose have attained the lucid intelligence and limpid economy of style that are the trademarks of his work. His wry humor, gentle skepticism, and perpetual sense of history's dark possibilities have earned him a devoted international following. This collection, gracefully translated by Clare Cavanagh, finds the poet returning to the themes that have defined his career—moving meditations on place, language, and history. *Unseen Hand* is a luminous meeting of art and everyday life.
