Age of Ultron vs. Marvel Zombies #2 James Robinson

War rages between two sides of unhumanity- the undead and the artificial! As battle escalates between Ultron's robotic horde and the zombie masses, a smaller pocket of humanity must defend themselves from both sides. Can Salvation, an oasis of sanity amidst utter chaos run by Jim Hammond, The Vision and Wonder Man, protect what little humanity resides in the "Deadzone"? And what is the Hank Pym from 1872, a man literally in a world he never made, supposed to do when first encountering the evil of Ultron?
