American Pistol Shooting

William D. Frazer

American Pistol Shooting William D. Frazer

The ultimate book for the gun enthusiast and the historian alike, *American Pistol Shooting* is a textbook of old-world techniques for successful shooting. The author Major William D. Frazer was an incredibly accomplished marksman in his day, earning the US Army's Distinguished Marksman badge in 1922. Almost entirely self taught, Frazer knew that the world needed a comprehensive book on pistol shooting technique, and he was the man to write that book. Brilliantly detailed with sections on caring for your pistols, trigger control, defensive shooting and quick drawing, and even shooting psychology, there is something here for everyone.

First published in the early 1900s, almost all of *American Pistol Shooting* is still relevant today, even despite the massive technological changes that have swept across the face of the gun industry. The techniques described will help anyone up their game and zero in on their aim. Whether practicing alone in the backyard or practicing at the shooting range, Major William D. Frazer's book is a must have for anyone interested in the sport of shooting and the history of the gun.

Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

From reader reviews:

Sun Byrd:

This American Pistol Shooting book is simply not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book will be information inside this book incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This kind of American Pistol Shooting without we realize teach the one who studying it become critical in thinking and analyzing. Don't become worry American Pistol Shooting can bring any time you are and not make your tote space or bookshelves' turn out to be full because you can have it within your lovely laptop even telephone. This American Pistol Shooting having very good arrangement in word along with layout, so you will not experience uninterested in reading.

William Painter:

As people who live in the modest era should be up-date about what going on or data even knowledge to make these people keep up with the era which can be always change and make progress. Some of you maybe will probably update themselves by studying books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This American Pistol Shooting is our recommendation to make you keep up with the world. Why, as this book serves what you want and wish in this era.

Ronda Tollison:

A lot of people always spent their free time to vacation or maybe go to the outside with them family or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you would like try to find a new activity that is look different you can read any book. It is really fun to suit your needs. If you enjoy the book which you read you can spent the entire day to reading a e-book. The book American Pistol Shooting it is rather good to read. There are a lot of people who recommended this book. These were enjoying reading this book. Should you did not have enough space bringing this book you can buy the e-book. You can m0ore easily to read this book from your smart phone. The price is not very costly but this book features high quality.

Jamie Leal:

This American Pistol Shooting is great publication for you because the content that is certainly full of information for you who also always deal with world and still have to make decision every minute. This particular book reveal it info accurately using great manage word or we can declare no rambling sentences within it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but hard core information with wonderful delivering sentences. Having American Pistol Shooting in your hand like getting the world in your arm, facts in it is not ridiculous just one. We can say that no book that offer you world with ten or fifteen second right but this e-book already do that. So , it is good reading book. Hey Mr. and Mrs. hectic do you still doubt that will?
