Samuel J. Steiner

In Search of Promised Lands: A Religious History of Mennonites in Ontario (Studies in Anabaptist and Mennonite History) Samuel J. Steiner

The wide-ranging story of Mennonite migration, theological diversity, and interaction with other Christian streams is distilled in this engaging volume, which tracks the history of Ontario Mennonites.

Author Samuel J. Steiner writes that Ontario Mennonites and Amish are among the most diverse in the world—in their historical migrations and cultural roots, in their theological responses to the world around them, and in the various ways they have pursued their personal and communal salvation.

In Search of Promised Lands describes the emergence and evolution of today's 30-plus streams of Ontarians who have identified themselves as Mennonite or Amish from their arrival in Canada to the last decade. In Search of Promised Lands also considers how various Mennonite groups have adapted to or resisted evangelical fundamentalism and mainline Protestantism, and it identifies the nineteenth- and twentieth-century shifts toward personal salvation and away from submission to the church community.

Volume 48 in the Studies in Anabaptist and Mennonite History series.
