Reading the Race: Bike Racing from Inside the Peloton Smith Jamie

In *Reading the Race*, race announcer Jamie Smith and veteran road captain Chris Horner team up to deliver a master class in bike racing strategies and tactics. Armed with strategies and tactics learned over thousands of races, cyclists and cycling fans will learn how to read a race--and see how to win it.

Bike racing is called a rolling chess game for a reason. Sure, a high pain threshold and a killer VO₂max are helpful. But if you're in it to win it, you need race smarts. Starting breaks, forming alliances, managing a lapped field, setting up a sprint--on every page, Horner and Smith reveal new secrets to faster racing and better results.

Smith and Horner dissect common mistakes, guiding riders with lessons learned from decades of racing experience. *Reading the Race* reveals the veteran's eye view on:

- Assembling the best possible team
- Crafting strategies around the team, course, and rivals
- Reacting instantly to common scenarios
- Making deals and combines
- Breaks, echelons, blocking
- Pack protocol and etiquette
- Finishing in the prize money or on the podium
- Winning the group ride

Whether you're a new racer, an aspiring pro, a team manager, or even a roadside fan, *Reading the Race* will elevate your cycling IQ for better racing.
