Feuds: A Novel (The Feuds Series) Avery Hastings

In this breathless story of impossible love, perfection comes at a deadly cost.

For Davis Morrow, perfection is a daily reality. Like all Priors, Davis has spent her whole life primed to be smarter, stronger, and more graceful than the lowly Imperfects, or "Imps." A fiercely ambitious ballerina, Davis is only a few weeks away from qualifying for the Olympiads and finally living up to her mother's legacy when she meets Cole, a mysterious boy who leaves her with more questions each time he disappears.

Davis has no idea that Cole has his own agenda, or that he's a rising star in the FEUDS, an underground fighting ring where Priors gamble on Imps. Cole has every reason to hate Davis—her father's campaign hinges on the total segregation of the Imps and Priors—but despite his best efforts, Cole finds himself as drawn to Davis as she is to him.

Then Narxis, a deadly virus, takes its hold--and Davis's friends start dying. When the Priors refuse to acknowledge the epidemic, Davis has no one to turn to but Cole. Falling in love was never part of their plan, but their love may be the only thing that can save her world...in Avery Hastings's *Feuds*.
