Finnish Video Games: A History and Catalog Juho Kuorikoski

In the past three decades Finland's video game industry has become the backbone of Finnish cultural export. Angry Birds and Clash of Clans are dominating sales around the world and the small Nordic nation has become a gaming superpower. Drawing on more than 60 interviews, this book covers the Finnish video game phenomenon as told by the people behind its success. The history of the industry is documented in detail for the first time. Two hundred game reviews are included, presenting the best (and worst) of commercial video games made in Finland.

From reader reviews:

Ruth McGrath:

What do you concentrate on book? It is just for students as they are still students or it for all people in the world, what best subject for that? Merely you can be answered for that problem above. Every person has diverse personality and hobby per other. Don't to be compelled someone or something that they don't desire do that. You must know how great in addition to important the book Finnish Video Games: A History and Catalog. All type of book would you see on many resources. You can look for the internet resources or other social media.

Diane Russel:

What do you about book? It is not important along? Or just adding material when you require something to explain what the one you have problem? How about your free time? Or are you busy man? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have spare time? What did you do? Every person has many questions above. They must answer that question simply because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is suitable. Because start from on kindergarten until university need this Finnish Video Games: A History and Catalog to read.

Christopher McCormick:

Your reading sixth sense will not betray an individual, why because this Finnish Video Games: A History and Catalog e-book written by well-known writer whose to say well how to make book which can be understand by anyone who all read the book. Written inside good manner for you, leaking every ideas and publishing skill only for eliminate your current hunger then you still skepticism Finnish Video Games: A History and Catalog as good book not only by the cover but also by content. This is one e-book that can break don't judge book by its handle, so do you still needing yet another sixth sense to pick that!? Oh come on your studying sixth sense already alerted you so why you have to listening to yet another sixth sense.

Joaquin Bedard:

This Finnish Video Games: A History and Catalog is great book for you because the content which can be full of information for you who all always deal with world and still have to make decision every minute. That book reveal it data accurately using great coordinate word or we can declare no rambling sentences inside. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but challenging core information with lovely delivering sentences. Having Finnish Video Games: A History and Catalog in your hand like keeping the world in your arm, facts in it is not ridiculous one particular. We can say that no book that offer you world inside ten or fifteen tiny right but this e-book already do that. So , this is certainly good reading book. Hello Mr. and Mrs. occupied do you still doubt which?
