Beyond practical parenting and good behavior “how-to’s,” Next Level Parenting takes the reader beneath the surface to the heart and soul of the child where the most profound transformations take root. It teaches parents to use discernment, wisdom, and courage as they place as much focus and effort on addressing what is happening in the spirit realm as they do in the physical realm. In a world where a battle for the hearts and minds of the next generation is raging, parents learn to stand in the gap, armed and ready spiritually to do battle on their child’s behalf.
