Popular Resistance in Palestine: A History of Hope and Empowerment

Mazin B. Qumsiyeh

Popular Resistance in Palestine: A History of Hope and Empowerment Mazin B. Qumsiyeh

The Western media paint Palestinian resistance against Israeli occupation as exclusively violent: armed resistance, suicide bombings, and rocket attacks. In reality these methods are the exception to what is a peaceful and creative resistance movement. In this fascinating book, Dr Mazin Qumsiyeh synthesises data from hundreds of original sources to provide the most comprehensive study of civil resistance in Palestine.

The book contains hundreds of stories of the heroic and highly innovative methods of resistance employed by the Palestinians over more than 100 years. The author also analyses the successes, failures, missed opportunities and challenges facing ordinary Palestinians as they struggle for freedom against incredible odds. This is the only book to critically and comparatively study the uprisings of 1920-21, 1929, 1936-9, 1970s, 1987-1991 and 2000-2006.

The compelling human stories told in this book will inspire people of all faiths and political backgrounds to chart a better and more informed direction for a future of peace with justice.
