*40 Things* provides parents with a concise and powerful resource intended to help educate and inform their teen-age/young-adult children on a number of what I as a father consider to be the most important spiritual/biblical truths on a number of vital topics, i.e., life, marriage, truth, the law, the purpose of government, salvation. *40 Things* is primarily intended to combat/refute the predominant and popular teachings and philosophies of secular humanism, post-modernism, moral relativism and universalism so pervasive today (sadly even in many Christian circles) and to empower/encourage the next generation to think and act biblically. I am also hoping that the same parents who purchase the book for their kids will also purchase it for any unsaved, skeptical or backslidden family/friends to lead them to the truth of the Gospel. The book has already received rave reviews and endorsements from many Christian leaders and public figures such as Ray Comfort (who wrote the Foreword), R.C. Sproul Jr., Dr. Michael Milton, E. Ray Moore, Dr. Ted Baehr Alveda King (MLK's niece) and J.C. Watts.
