Assessment and Learning in the Primary School (Successful Teaching Series)

E. C. Wragg

Assessment and Learning in the Primary School (Successful Teaching Series) E. C. Wragg

This is an innovative yet practical resource book for teachers, focusing on the classroom and covering vital skills for primary and secondary teachers. The book is strongly influenced by the findings of numerous research projects during which hundreds of teachers were observed at work.

This book addresses both formal and informal ways of assessing children's work and progress. Pupils' learning is often neglected in the debate, so this book puts what children actually learn right at its centre.

Divided into six units, Ted Wragg addresses important topics such as:

- * principles and purposes of assessment
- * written, oral and practical evaluation
- * self-assessment the 'whole school' approach
- * staff development and appraisal.

The inclusion of practical activities, discussion topics, photographs, cartoons and case examples makes this a very user-friendly book for both trainee and experienced teachers in primary schools.

From reader reviews:

Katherine Levy:

Nowadays reading books become more than want or need but also get a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with education and learning books but if you want sense happy read one along with theme for entertaining such as comic or novel. The actual Assessment and Learning in the Primary School (Successful Teaching Series) is kind of guide which is giving the reader erratic experience.

Phillip Ruiz:

The reason? Because this Assessment and Learning in the Primary School (Successful Teaching Series) is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book alongside it was fantastic author who write the book in such awesome way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have got such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I were you I will go to the book store hurriedly.

Joni Thompson:

Does one one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Aim to pick one book that you find out the inside because don't ascertain book by its cover may doesn't work is difficult job because you are afraid that the inside maybe not because fantastic as in the outside search likes. Maybe you answer may be Assessment and Learning in the Primary School (Successful Teaching Series) why because the wonderful cover that make you consider about the content will not disappoint anyone. The inside or content is definitely fantastic as the outside as well as cover. Your reading sixth sense will directly show you to pick up this book.

Violet Jarrell:

Are you kind of occupied person, only have 10 or 15 minute in your day time to upgrading your mind ability or thinking skill actually analytical thinking? Then you are receiving problem with the book than can satisfy your short space of time to read it because pretty much everything time you only find publication that need more time to be study. Assessment and Learning in the Primary School (Successful Teaching Series) can be your answer as it can be read by you actually who have those short extra time problems.
