Eternity's Mark Maeve Greyson

A sexy Scot. A mystical inheritance. What could go wrong?

Veternarian Hannah MacPherson knows better than to believe in love at first--or any--sight. True, being swept away by Taggart de Gaelson to the vast Scottish castle she's mysteriously inherited is uber-romantic. The legacy is totally legitimate, and its messenger is big, broad-shouldered, and smokin' in more ways than one . . .

Too bad Taggart forgot to mention that Hannah's also a Guardian of magical dragons called the Draecna. And as Hannah's sworn otherworldly protector, Taggart is honor-bound not to lay a hand on her, no matter how close he gets. . .

But turning duty into pleasure is just too tempting. And for Hannah, mastering her powers and saving two worlds from evil will be way easier than showing one hardheaded warrior that breaking all the rules means they are eternally made for each other . . .
