Head First Networking Al Anderson, Ryan Benedetti

Frustrated with networking books so chock-full of acronyms that your brain goes into sleep mode? *Head First Networking's* unique, visually rich format provides a task-based approach to computer networking that makes it easy to get your brain engaged. You'll learn the concepts by tying them to on-the-job tasks, blending practice and theory in a way that only Head First can.

With this book, you'll learn skills through a variety of genuine scenarios, from fixing a malfunctioning office network to planning a network for a high-technology haunted house. You'll learn exactly what you need to know, rather than a laundry list of acronyms and diagrams. This book will help you:

- Master the functionality, protocols, and packets that make up real-world networking
- Learn networking concepts through examples in the field
- Tackle tasks such as planning and diagramming networks, running cables, and configuring network devices such as routers and switches
- Monitor networks for performance and problems, and learn troubleshooting techniques
- Practice what you've learned with nearly one hundred exercises, questions, sample problems, and projects

Head First's popular format is proven to stimulate learning and retention by engaging you with images, puzzles, stories, and more. Whether you're a network professional with a CCNA/CCNP or a student taking your first college networking course, *Head First Networking* will help you become a network guru.

From reader reviews:

Robert Beck:

Here thing why this Head First Networking are different and reliable to be yours. First of all looking at a book is good but it really depends in the content than it which is the content is as scrumptious as food or not. Head First Networking giving you information deeper and different ways, you can find any e-book out there but there is no reserve that similar with Head First Networking. It gives you thrill examining journey, its open up your eyes about the thing that will happened in the world which is possibly can be happened around you. You can easily bring everywhere like in recreation area, café, or even in your method home by train. In case you are having difficulties in bringing the branded book maybe the form of Head First Networking in e-book can be your substitute.

Josue Denson:

The reason why? Because this Head First Networking is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will zap you with the secret the idea inside. Reading this book adjacent to it was fantastic author who have write the book in such amazing way makes the content on the inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of rewards than the other book have got such as help improving your proficiency and your critical thinking method. So , still want to hold off having that book? If I had been you I will go to the e-book store hurriedly.

Mary May:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your morning to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your small amount of time to read it because this time you only find reserve that need more time to be learn. Head First Networking can be your answer given it can be read by you who have those short free time problems.

Thomas Moss:

Many people spending their time by playing outside having friends, fun activity using family or just watching TV all day long. You can have new activity to pay your whole day by reading a book. Ugh, ya think reading a book can really hard because you have to accept the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Mobile phone. Like Head First Networking which is keeping the e-book version. So , try out this book? Let's find.
