Kentucky Home Place (New Books for New Readers) Lee Dew

" Kentucky Home Place tells of eight generations of the fictitious Boyd Family, whose story begins in 1799 with a Western Kentucky land claim and continues through the present. The Boyds work hard to keep the family farm, facing their daily tasks with hope and determination. As a member of the family tells her grandson, ""The farm is special because it is our family home and the home of those who came before us. It is important for every person to know who they are and where they came from.""
