Praise for Meeting the Fox

"Orr Kelly has dramatically brought to life the desert war by masterfully weaving the view of higher headquarters with the pathos of the foxhole. Meeting the Fox takes the reader on a gripping journey from North Africa's beaches and drop zones, the practically forgotten disaster at Sidi bou Zid, to the final battles in Tunisia. Meeting the Fox is destined to rank among the best narrative histories on the American experience in North Africa."

-- Patrick O'Donnell, author of *Beyond Valor* and *Into the Rising Sun*

"An almost bullet-by-bullet, shell-by-shell account, Meeting the Fox offers riveting personal experiences from those who fought the Axis forces during the desperate campaign for North Africa."

--Gerald Astor, historian and author of *A Blood-Dimmed Tide* and *The Greatest War*, Vols. I--III

As their unproven commanders struggled to match wits with the wily Desert Fox, 100,000 poorly equipped, undertrained, and inexperienced GIs battled their way across North Africa. Hobbled by inferior weaponry and an inexperienced officer corps, these green but courageous citizen soldiers clashed head-on with the fabled German Afrika Korps and its legendary commander, Erwin Rommel. Meeting the Fox tells the unforgettable tale of the men who transformed themselves, in the heat of battle, from a poorly organized army of convenience into a relentless and unstoppable fighting force.
