Torts (Palgrave Law Masters) Alastair Mullis, Ken Oliphant

The previous editions of Torts were highly regarded for their clarity of explanation and engaging writing style, and this new fourth edition fully retains each of these qualities. The text has been extensively revised and updated, and there is a new chapter on privacy. The enhanced layout includes end of chapter summaries and self-test exercises and an extensive bibliography. This is therefore an ideal companion to the subject for both law undergraduates and GDL/CPE students.
