Wings of Redemption by Sarah Gilman

Humans and archangels don't mix on the best occasions. When Saffron Morin goes to the gates of the demon colony, Eden, in search of her sister, she meets an archangel who is curious one minute and hostile the next, and she ends up the colony's "guest" against her will. Kestrel's archangel psychic talent tells him the human woman's life is in danger. Despite her family's association with poachers who hunt archangels for their valuable feathers, he vows to save her life. Enemies by birth, lovers by choice, they give in to growing attraction as days pass. Even if he succeeds in saving her life, he must hurt her to protect others of his kind, and he may not be able to live with himself after a betrayal he has no choice but to commit. In order to find redemption, the Collector's daughter and an archangel must first find each other.
