Blue Mercy Illona Haus

Illona Haus announces her arrival as a bold voice in suspense with a gritty, edge-of-your-seat thriller. One woman's quest to bring a vicious killer to justice is about to lead her through the dark corners of obsession -- and test her capacity for mercy.

It's more than revenge.

Ravaged by guilt, Detective Kay Delaney is reeling from an attack that resulted in her partner's death. Her only consolation is that serial killer Bernard Eales, who shot her partner, sits in Maryland's State Penitentiary awaiting what's expected to be a sure conviction. But when the prosecution's star witness turns up dead -- and the body bears the same gruesome marks found on Eales's victims -- Kay wonders whether the right man is about to stand trial.

It's the fight of her life.

Partnered with her former lover, Danny Finnerty, Kay must confront the man who haunts her dreams -- even if it means proving him innocent of three shocking crimes. As the body count rises, Kay embarks on a dark journey that will test her shattered courage, pit her against an unseen evil, and challenge her to unlock a killer's chilling obsession...before it's too late.

From reader reviews:

Mark Cabrera:

Book is to be different for each and every grade. Book for children till adult are different content. As you may know that book is very important for all of us. The book Blue Mercy had been making you to know about other understanding and of course you can take more information. It is quite advantages for you. The guide Blue Mercy is not only giving you much more new information but also to get your friend when you truly feel bored. You can spend your personal spend time to read your book. Try to make relationship with all the book Blue Mercy. You never truly feel lose out for everything in case you read some books.

Nicholas Gober:

Reading a guide tends to be new life style in this era globalization. With examining you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire their reader with their story as well as their experience. Not only the story that share in the ebooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their ability in writing, they also doing some study before they write to their book. One of them is this Blue Mercy.

Danna Bullock:

Your reading sixth sense will not betray a person, why because this Blue Mercy reserve written by well-known writer who knows well how to make book that may be understand by anyone who also read the book. Written inside good manner for you, still dripping wet every ideas and creating skill only for eliminate your hunger then you still skepticism Blue Mercy as good book not only by the cover but also by content. This is one reserve that can break don't judge book by its deal with, so do you still needing one more sixth sense to pick that!? Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.

Laura Buscher:

Do you like reading a book? Confuse to looking for your best book? Or your book was rare? Why so many question for the book? But virtually any people feel that they enjoy regarding reading. Some people likes reading through, not only science book but additionally novel and Blue Mercy or others sources were given knowledge for you. After you know how the truly amazing a book, you feel would like to read more and more. Science publication was created for teacher or perhaps students especially. Those ebooks are helping them to put their knowledge. In various other case, beside science book, any other book likes Blue Mercy to make your spare time more colorful. Many types of book like this one.
