Everyone has a breaking point.

Mina Tanner was once a converter, a human with telekinetic and telepathic abilities. After a vicious mental assault by an evil shadowmind stripped her of her powers, she was forced to flee her home to escape her attacker. Now, she's trying to start a new life in San Francisco, far away from any and all reminders of the gifts she grew up using.

But her precariously balanced "normal" life topples as her apartment and her job fall victim to a new luxury development. Jackson Herring, an old family friend and powerful converter, offers Mina his spare bedroom while she gets on her feet, and she agrees...reluctantly. Mina's finding it difficult enough to adjust without a daily reminder of what she's lost, especially when that reminder is six-foot-four, super-talented and gorgeous.

When a mugger attacks her and she somehow burns his hands, Mina realizes that despite everything she's lost, she may have gained something far more powerful—and dangerous—than she ever imagined. And when the rest of the shadowmind community learns about it, Mina will find herself on the run once again.
