Going Up Lena Matthews

Watching Koko Brown's kinky elevator exhibitions has become the best thing about Reese Desoto's Tuesdays and Thursdays. As head of security of Sarraf Enterprises, he's been keeping two very attentive eyes on the dark-skinned beauty and her naughty habits, but he's over sharing her performances with all the other men in security. He's ready for a private show. Koko always feared that one day her elevator fetish would get her in trouble, but she never thought her comeuppance would appear in the form of a man as devastatingly handsome and commanding as Reese. To her delight though, instead of reprimanding her, Reese offers her access to a private elevator, one in which she can be as wicked as she pleases for an attentive audience of one. All she has to do is step in, strip down and enjoy the ride.
