Holy Water

James P. Othmer

Holy Water James P. Othmer

A mordant, ruefully funny novel about downsizing, outsourcing, globalization, third-world dictatorships, and vasectomies, by the acclaimed author of *The Futurist* and *Adland*.

Henry Tuhoe is the quintessential twenty-first-century man. He has a vague, well-compensated job working for a multinational conglomerate—but everyone around him is getting laid off as the company outsources everything it can to third-world countries.

He has a beautiful wife—his college sweetheart—and an idyllic new home in the leafy suburbs, complete with pool. But his wife won't let him touch her, even though she demanded he get a vasectomy; he's seriously overleveraged on the mortgage; and no matter what chemicals he tries the pool remains a corpselike shade of ghastly green.

Then Henry's boss offers him a choice: go to the tiny, magical, about-to-be-globalized Kingdom of Galado to oversee the launch of a new customer-service call center for a boutique bottled water company the conglomerate has just acquired, or lose the job with no severance. Henry takes the transfer, more out of fecklessness than a sense of adventure.

In Galado, a land both spiritual and corrupt, Henry wrestles with first-world moral conundrums, the life he left behind, the attention of a steroid-abusing, megalomaniacal monarch, and a woman intent on redeeming both his soul and her country. The result is a riveting piece of fiction of and for our times, blackly satirical, moving, and profound.

From the Hardcover edition.
