The Castle in the Mist Amy Ephron

In the tradition of *Half Magic*, *Alice in Wonderland*, and the writing of E.L. Konigsburg, a novel about the excitement, and the dangers, of wishing.

Tess and her brother, Max, are sent for the summer to their aunt's sleepy village in the English countryside, where excitement is as rare as a good wifi signal. So when Tess stumbles upon an old brass key that unlocks an ornately carved gate, attached to a strangely invisible wall, she jumps at the chance for adventure. And the world beyond the gate doesn't disappoint. She finds rose gardens, a maze made of hedges, and a boy named William who is just as lonely as she is.

But at William's castle, strange things begin to happen. Carnival games are paid for in wishes, dreams seem to come alive, and then there's William's eerie warning: *Beware of the hawthorn trees*. A warning that chills Tess to the bone.

In a magical, fantasy world that blurs the line between reality and imagination, readers are left to wonder exactly what they'd wish for if wishes could come true. Perfect for fans of *Alice in Wonderland* and *Half Magic*--and for anyone who's ever wondered if magic is real.

From reader reviews:

Marie Boyd:

What do you think about book? It is just for students as they are still students or this for all people in the world, the particular best subject for that? Only you can be answered for that concern above. Every person has various personality and hobby per other. Don't to be pushed someone or something that they don't want do that. You must know how great and also important the book The Castle in the Mist. All type of book is it possible to see on many resources. You can look for the internet resources or other social media.

James Benavidez:

Here thing why that The Castle in the Mist are different and trusted to be yours. First of all reading through a book is good but it depends in the content from it which is the content is as delightful as food or not. The Castle in the Mist giving you information deeper and in different ways, you can find any publication out there but there is no reserve that similar with The Castle in the Mist. It gives you thrill reading journey, its open up your own eyes about the thing this happened in the world which is probably can be happened around you. It is easy to bring everywhere like in park, café, or even in your approach home by train. Should you be having difficulties in bringing the paper book maybe the form of The Castle in the Mist in e-book can be your alternate.

Bryant Kelly:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even a concern. What people must be consider if those information which is from the former life are hard to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you get the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen in you if you take The Castle in the Mist as your daily resource information.

Steven Thomas:

As we know that book is important thing to add our information for everything. By a publication we can know everything we want. A book is a set of written, printed, illustrated or maybe blank sheet. Every year has been exactly added. This e-book The Castle in the Mist was filled in relation to science. Spend your extra time to add your knowledge about your technology competence. Some people has several feel when they reading some sort of book. If you know how big selling point of a book, you can experience enjoy to read a publication. In the modern era like now, many ways to get book that you just wanted.
